## St George's Chapel

Our Year 3 and Year 4 children were given the amazing opportunity to perform in a concert at St George's Chapel in Windsor Castle on Tuesday 25<sup>th</sup> November. They sang beautifully and were a true credit to the school. I am sure this wonderful experience will be remembered by them for the rest of their lives. A huge thank you to Mr Denny and Mr Manners for organising and coaching the children and of course to all the staff who helped to make this happen and the parents and carers who supported by attending.

## Ufton Court

Our Year 4 children visited Ufton Court to study life in Ancient Egypt. They learnt all about mummification and crime and punishment in Ancient Egypt through role play. Thankfully, they all came back in one piece!

Year 3 also visited Ufton Court but as Romans! They practised their military manoeuvres whilst learning how to use a scutum and gladius.

## Parking

Parking outside the school is still a concern, with some not showing consideration or care for others' safety. Could I please request that you do not park on the yellow lines at any time, or turn in the Church Hall car park – both are dangerous and put our children and other motorists at risk.

## Year 3 Sharing Assembly

A big well done to our Year 3 class and staff who thoroughly entertained us with our first sharing assembly of the year. They have clearly been very busy learning about so many different topics including fractions, Romans, portrait drawing and French greetings as well as learning to play the violin!

## Can you help?

A big thank you to all of you who brought in photo-copying paper: it was very much appreciated as we use an awful lot! If anybody has a spare changing station they no longer need, that our Nursery could use, please let us know. We would also appreciate anymore photocopying paper.

Could I also urge you to try and use Easyfundraising every time you shop online. This is a fantastic way to raise money for the school at no cost to yourself. You can find our easyfundraising page here:
