'For with God nothing shall be impossible' Luke 1:37.

Harvest Festival

Autumn is definitely upon us. The children have enjoyed collecting all the many acorns we have in the school grounds – it is definitely a bumper year!

This year we will be supporting the Windsor Foodshare with our food donations. We are challenging each class to create the longest line on the playground with their donations.

Please give your donations to your class teacher by Monday 13th October. The Windsor Foodshare would particularly like the following items:

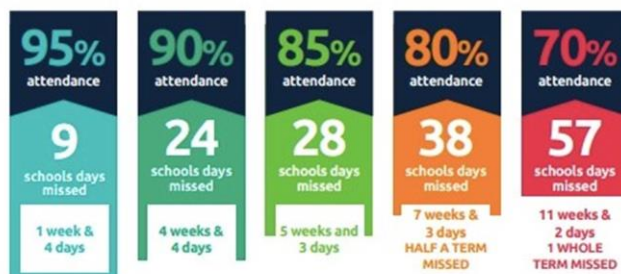

Attendance Matters!

Every day the children's attendance and punctuality is recorded on our school system. We work closely with the Local Authority to monitor attendance and punctuality across the school. We look for things that we can put into place to improve attendance and lateness and to support families who need help with getting children into school on time every day.

We understand that sometimes children do get poorly and that they are too unwell to be in school. If you do keep your child at home, it's important that you phone the school office by 9:00am to let them know that your child won't be in and to give them the reason. You will need to make sure you keep in contact with the school on a daily basis with an update about your child's illness.

It can be tricky deciding whether or not to keep your child off school when they're unwell. Click [here](#) for the NHS guidelines that say when children should be kept off school and when they should come in.

Every day in school counts...

and every minute counts...

We will be having our Harvest Festival Assemblies on Wednesday 22nd October and hope you will be able to join us at one of them.

Parking

Could I please remind everyone to think carefully about their parking when dropping off or collecting children. We appreciate that it is difficult but the safety of our children is paramount and consideration for others needs to be shown at all times. Thank for your support in this matter.

Dates for this Year

Date	Event
