

Zoom, zoom around the moon.

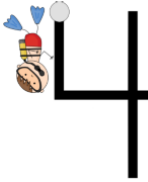

A straight line down is fun, that's the way to make a **one**.

Around and back on a railway track, two, two, **two**.

Around a tree, around a tree, that's the way to make a **three**.

Down, across and down once more, that's the way to make a **four**.

Short neck, body fat Mr. **Five** wears a hat.

A line and a loop, **six** rolls a hoop.

Across the sky and down from heaven that's the way to make a **seven**.

Make an 'S' but do not wait, go right back up and make an **eight**.

A loop and down the line, that's the way to make a **nine**.
