

Braywood School
Windsor
England
17th January

Dear Friend,
I am writing to tell you about a typical Tuesday at Braywood School.

First, I am going to tell you about the morning. Well, going to school we have some choices. We could either enter "Kiss and Drop" where our parents drop us off into the assembly hall and we watch a movie.

Alternatively, we could be dropped off in "Breakfast Club" which is helpful for our parents' job times so they won't be late for work.

Now, we enter the school grounds. We simply walk in and settle down in class reading a book and our teacher, Mrs Wakeman calls out the register. The register is a piece of paper with children in the class and tick off the ones that are here.

Then once she has finished, we walk to the assembly hall where all the other classes meet, years 4, 3, 2, 1 and reception. Sometimes on Tuesdays, the year 4 helpers get a chance to show the rest of the school a Short Presentation which their teacher gives them permission to present.

Once that has finished, we start doing some literacy or as you may call it English. Normally, we work on punctuation or something like that but this week we were focussing on frontal adverbials, and all other types of adverb.

After a tough but exciting lesson, we can enjoy a lovely, relaxing breaktime. Breaktime is a little time that we can play outside but unfortunately this time of glory only lasts 10 minutes.

After break, it's time for my favourite lesson of all times ... MATHS! Some children including me, go upstairs and work on harder things like year 5 maths.

page 2

Finally it's lunchtime at last! By now I am totally starving. We can have hot lunch cooked by our school cook or packed lunch brought from home. It's your decision. Either way we happily skip to the canteen. After lunch we may have dessert but sadly that only goes for school lunch children. Once you have some delicious food in your stomach, we can have playtime until about 1:00 or 1:15.

In the afternoon, we usually have guided reading which is a group of children reading to a teacher, or we simply finish a piece of work. If we have already finished any work, we can get a book, sit back and relax.

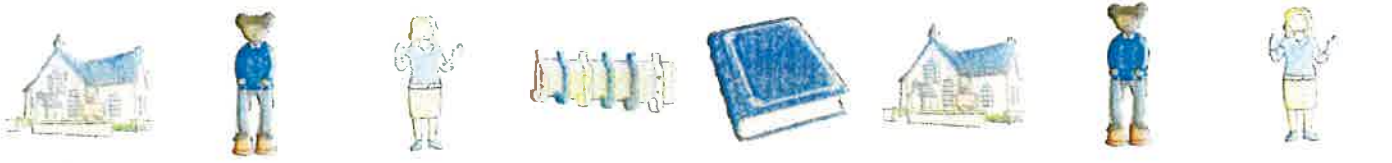

After a calm and silent read, it is time for..... TOPIC! At the moment in topic, we are learning about the United - Kingdom (About all the different counties and regions) Topic for me is always exciting. Whether we're learning about

page 3

Modern times or history both I really enjoy.

Right after topic, if we have time, we return to our seats and have a quick game of "heads down thumbs up?"

You may or may not be familiar with this game and if you're not, here is how to play. We all place our heads on the table and we choose people to be the pickers and they choose random people and pat them on the thumbs.

Once they have finished, the chosen ones guess who patted them and if they are right it's their turn to be a picker.

I really hope you enjoyed my typical day at school and please write back!

Best Wishes

Zainab (Girl)
