Dear Susan

As we start a New Year, Kevin and I would like to take this opportunity to wish you a happy New Year and reflect back on the academic year 2016/2017 results now that we have the validated results from the Department of Education.

During last year we have had many Ofsted inspections within RBWM which have resulted in 86% of schools and academies being judged as good and outstanding with four schools gaining the outstanding grade. This reflects the continuing hard work of all staff, pupils and governors throughout our schools.

Now that we have had the validated data from the Department of Education, Kevin and I would like to personally congratulate you and your leadership team on last year's primary results as you achieved well above the national average in all areas.

This truly reflects the hard work and determination that you and your staff commit to your pupils in supporting them to achieve their best possible outcomes.

Well done to you, all the staff at Braywood First School and the Governing Body for such a good result in 2016/17.

Yours sincerely
