

Phonics Test Comparison Data through the Covid Years

Through Covid we have continued with our assessment procedures as we feel that it is important to maintain our assessment procedures. Our school procedures have prioritised our teaching of phonics as it underpins children's reading skills which is obviously very important. Phonics was taught very effectively through the pandemic.

In 2019 to 2020

100% our younger children achieved a pass on their Phonics Test practice in Year 1. There was no official Government Test.

In 2020 to 2021

**100% our younger children achieved a pass on their Phonics Test in December in Year 2.
100% our younger children achieved a pass on their Phonics Test in June in Year 1.**

In 2021 to 2022

95% our younger children achieved a pass on their Phonics Test in Year 1.
